

Helping you with lower costs, more care providers, and easier access to behavioral health care

Because mental health is part of your overall well-being

It's important to get the right support for behavioral health issues.

Youth suicide rates

Suicide is the second leading cause of death for children between 10 and 14 years of age in the U.S., and 11th overall.¹

Complex needs

1.5M U.S. adults experience both mental illness and a substance use disorder.²

Primary care impact

Employees experiencing mental distress use an average of nearly \$3,000 more in healthcare services per year than their peers.³

We are here to help

If you or a loved one needs help with a mental health or substance use issue, you're not alone. Through your Anthem benefits, you can quickly find expert, compassionate, and confidential care — often at lower or no extra cost. You have access to a wide range of programs and services online, on the phone, in person, or through video — whatever is most convenient for you.

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or healthcare provider not in your plan's network, your share of the costs may be higher. You also may receive a bill for any charges not covered by your health plan.

LiveHealth Online is offered through an arrangement with Amwell, a separate company, providing telehealth services on behalf of your health plan.

Sydney Health is offered through an arrangement with Carelon Digital Platforms, a separate company offering mobile application services on behalf of your health plan.
