

If you're looking for ways to save your clients money this coming tax season, Covered California for Small Business can help.

Many small businesses think that offering health insurance coverage to their employees is cost prohibitive. Providing health coverage not only attracts and retains quality employees, but it can help their bottom line as well, with tax credits available only through Covered California for Small Business.

We offer multiple quality health providers like Blue Shield of California, Kaiser Permanente and Sharp Health Plan. Your clients can decide how much they want to contribute and Covered California for Small Business helps them find options that fit their budget and plans to fit their employee's needs. All health insurance premiums are consolidated into one monthly invoice, which keeps the accounting straightforward.
